Each member is entitled to one vote on each matter submitted to a vote by the members. Voting at duly held meetings shall be by voice vote. Election of officers, however, shall be by written ballot at meetings or by electronic mail (e-mail) prior to meetings. If voting prior to meetings, all ballots must be submitted within the time allotted for voting, which shall be no less than 15 days.

SECTION 8. ACTION BY WRITTEN BALLOT
Except as otherwise provided under the Articles of Incorporation, these Bylaws, or provisions of law, any action which may be taken at any regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to each member entitled to vote on the matter. The ballot shall: 1. set forth the proposed action; 2. provide an opportunity to specify approval or disapproval of each proposal; 3. indicate the number of responses needed to
meet the quorum requirement and, except for ballots soliciting votes for the election of the Executive Committee, state the percentage of approvals necessary to pass the measure submitted; and 4. shall specify the date by which the ballot must be received by the corporation in order to be counted. The date set shall afford members a reasonable time within which to return the ballots to the corporation. Ballots shall be mailed or delivered in the manner required for giving notice of membership meetings as specified in these bylaws. Approval of action by written ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The Executive Committee may be elected by written ballot. Such ballots for the election of the Executive Committee shall list the persons nominated at the time the ballots are mailed or delivered.

SECTION 9. CONDUCT OF MEETINGS
Meetings of members shall be presided over by the President of the Executive Committee, or, if there is no President or, in his or her absence, by the President-elect of the corporation or, in his or her absence, by the Secretary of the corporation or, in the absence of all of these persons, by a Chairperson chosen by a majority of the voting members, present at the meeting. The Secretary of the corporation shall act as Secretary of all meetings of members, provided that, in his or her absence, the presiding officer shall appoint another person to act as Secretary of the Meeting. Meetings shall be governed by Roberts' Rules of Order, as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with the Articles of Incorporation, these Bylaws, or with provisions of law.
